International Conference on Risks, Security and Citizenship

Setúbal, 28 March 2019

The Paris Agreement

The Paris Agreement

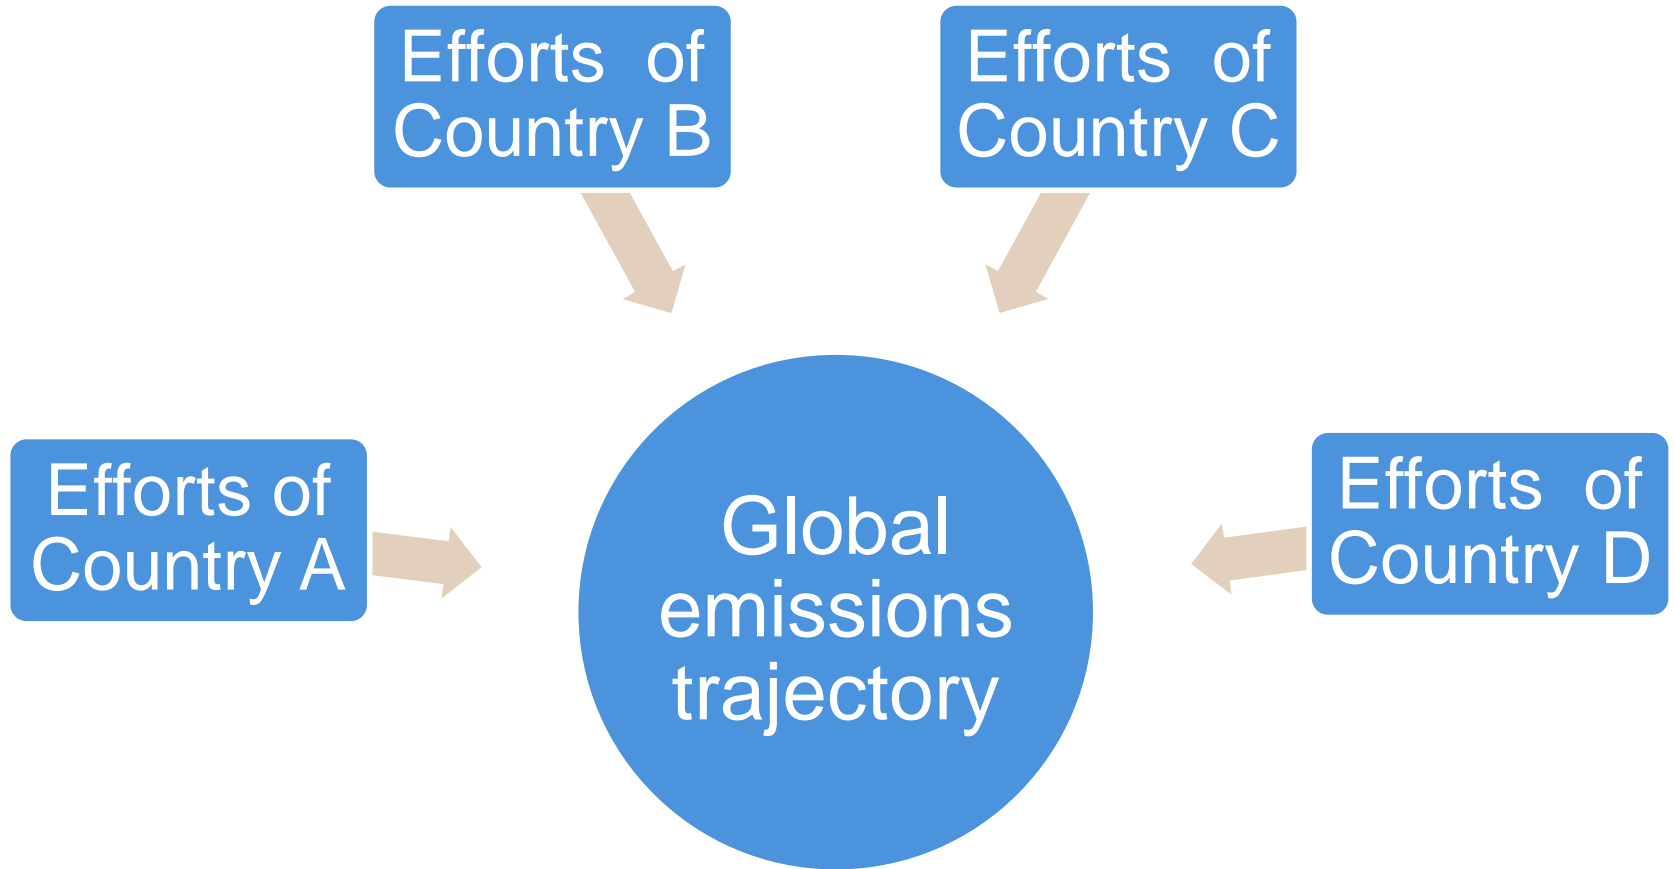

Agreement's objective: long-term temperature goal (climate neutrality) and low GHG emission development

Collective efforts: Peaking of emissions and rapid reductions thereafter towards a balance of emissions and removals

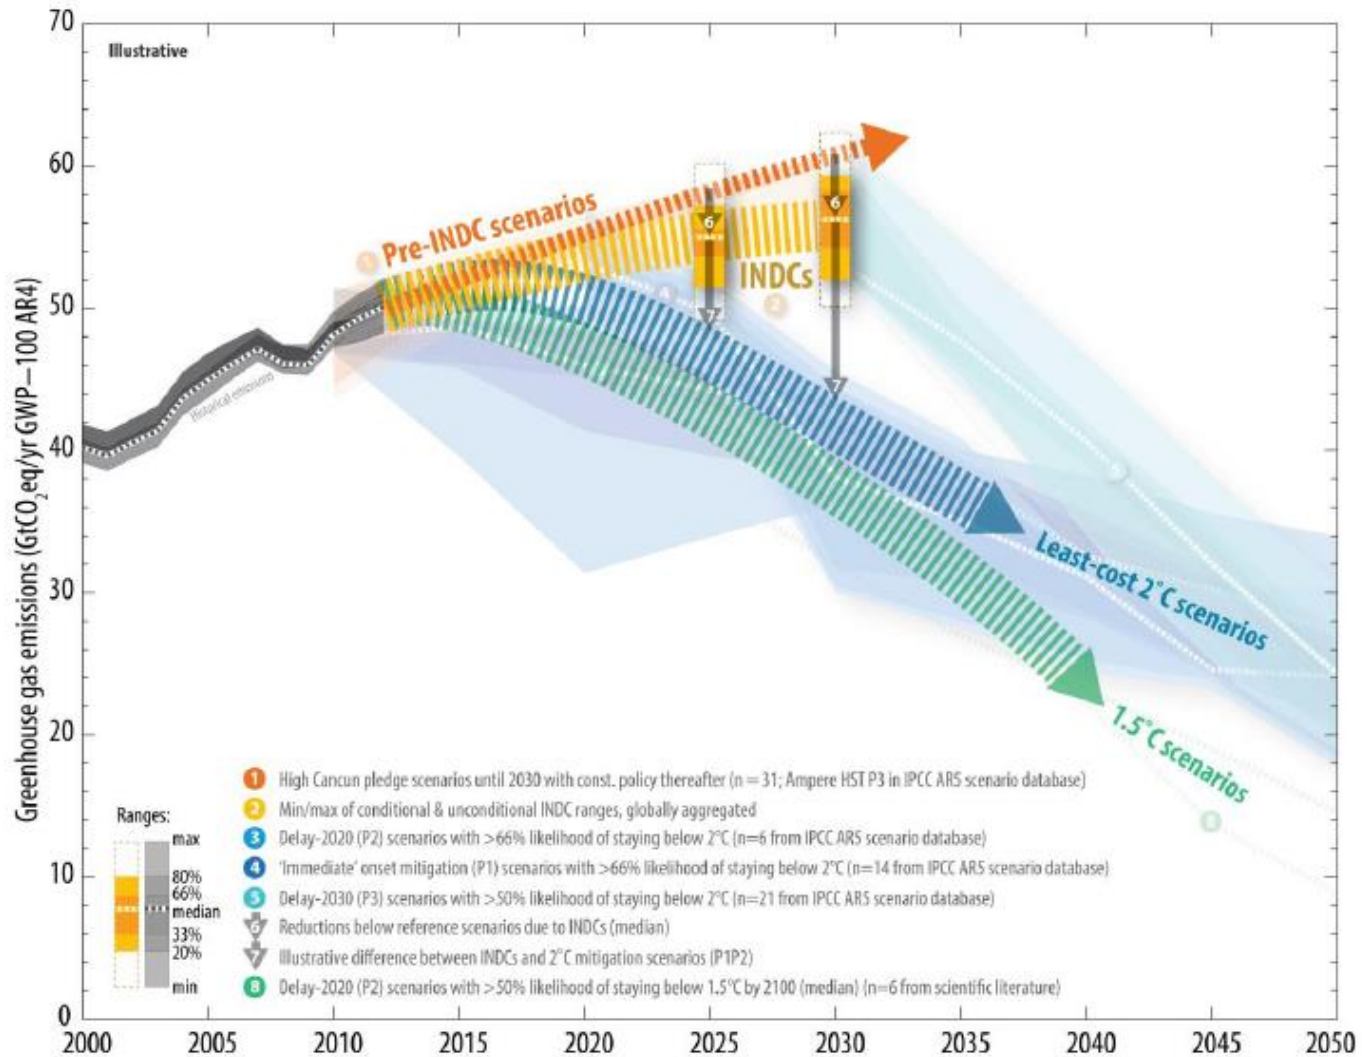

Individual efforts: NDCs, long-term strategies

The Paris Agreement

The Paris Agreement

Decision at COP 21

A facilitative dialogue to take stock of collective efforts in relation to progress towards the long-term goal and inform the preparation of NDCs.

Fiji Presidency at COP 23:

Talanoa Dialogue was launched

The dialogue was then to be conducted in the **spirit of the Pacific tradition of Talanoa** with the purpose to **share stories**, build empathy, and trust

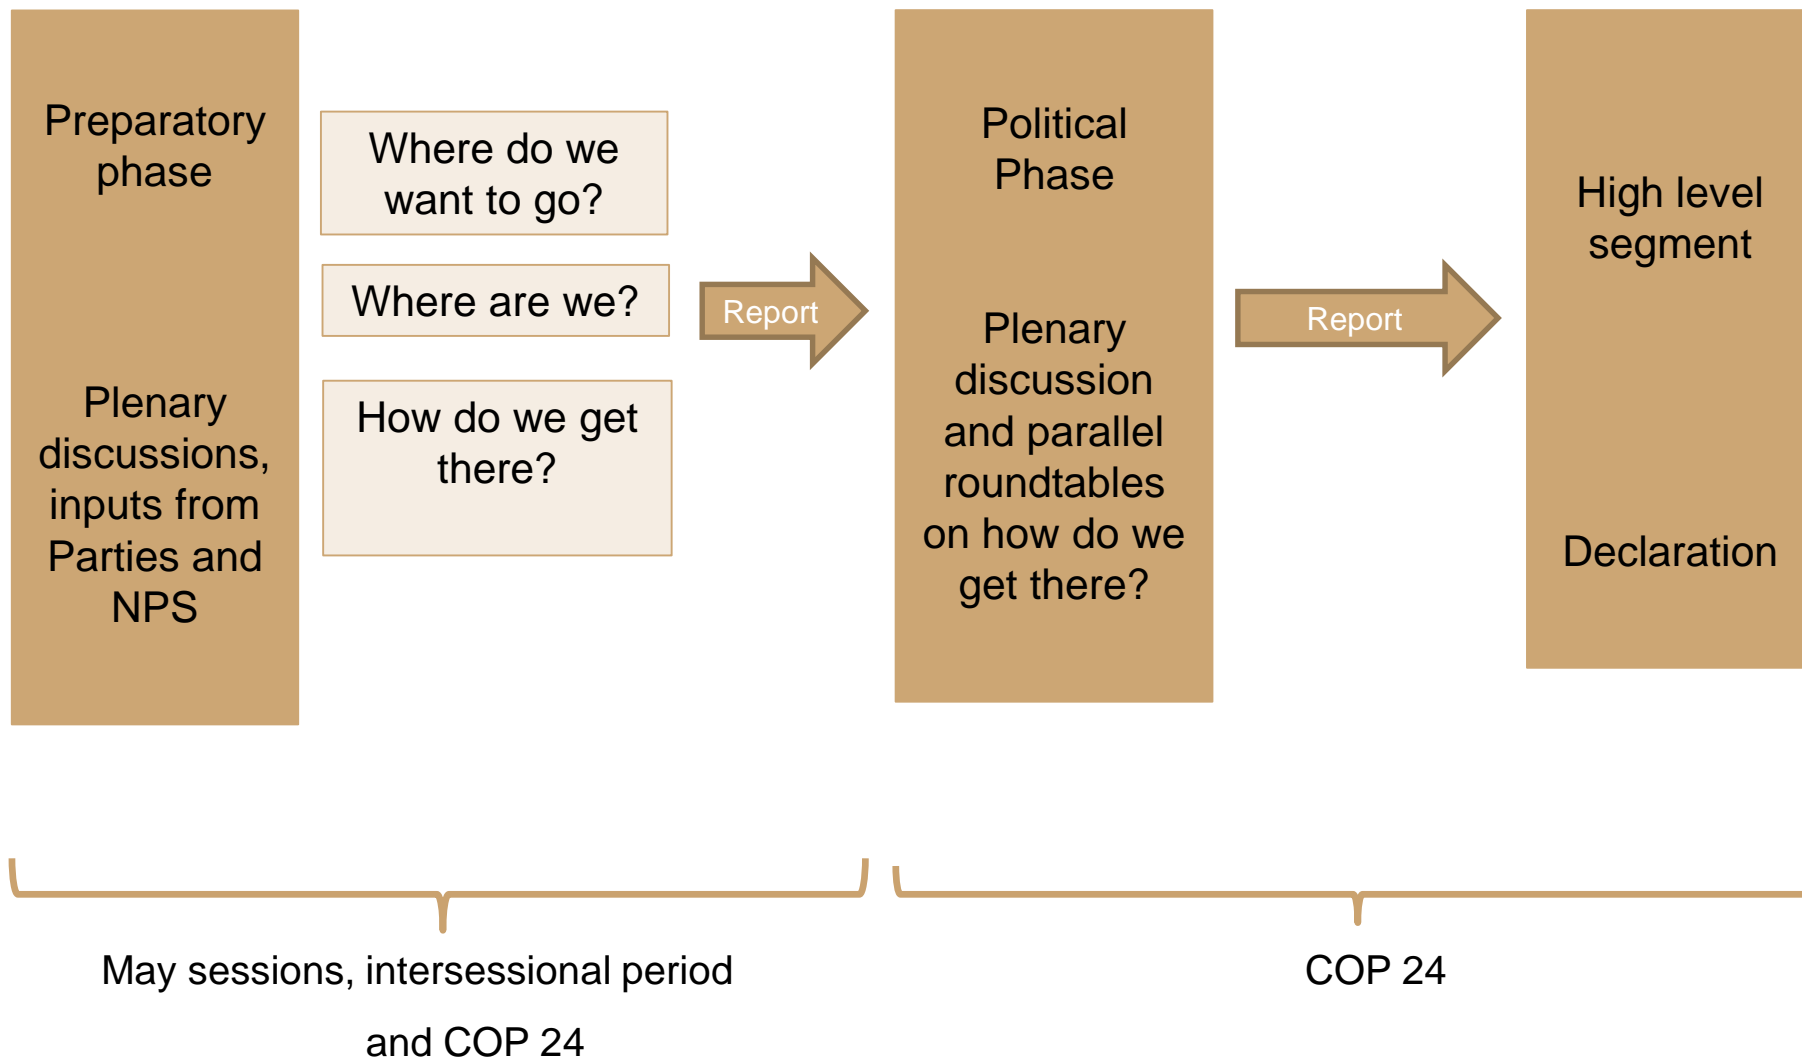

Main features of the Talanoa Dialogue

- The dialogue should:
 - a) Be **constructive, facilitative and solutions** oriented
 - b) Not lead to discussions of a confrontational nature
(**no naming and shamming**)
- The dialogue should be conducted in a manner that **promotes cooperation**
- The dialogue should be **structured** around 3 questions:
 - a) **Where are we?**
 - b) **Where do we want to go?**
 - c) **How do we get there?**
